Where in the World is Westie?

Westie travelled with...

Mrs. Bigras to Europe!
The view from the plane flying from Amsterdam to Stockholm.

This was a really neat walk in Stockholm old buildings on one side and boats on the other.

We walked on Capitolina Hill saw the monument to Italy's 1st king.

We took the train to the ruins of Pompeii. It was buried in 63BC when Mount Vesuvius exploded in 79AD. It was rediscovered in 1748.

We toured the Vatican went into St. Peter's Basilica and had lunch in the square. The pope lives here.

We changed trains in Genoa so went and ate lunch in the Plaza de la Victoria, this is a war monument that we are near.

Getting tickets for the Cinque Terre hike was incredible.

Our hike is over we relaxed on the beach at Monterossa.
This is the Basílica Sagrada Familia. A man named Gaudi designed it. It was started in 1882 and will be completed in 2026. It is unbelievable!

We were on a walking tour when we saw the wall of this church. Mussolini lined up rebel soldiers during the WWII conflict and shot them. The wall is full of marks from the bullets from the firing squads.

On the beach in Barcelona.
I am in front of a piece of art by Pablo Picasso given to the people of Barcelona.

I am sitting on a cactus just above the town of Vernazza on the first part of the hike. We climbed to the top of the tower you see in the town.

After Genoa, we traveled by train to Marseille, France. On our bus tour we went to the Notre Dame de la Guerre cathedral, that's it in the background. There are bullet holes in the walls from the Second World War.

This tank sits just down the hill from the church in memory of the French soldiers who fought to free France from the German army.

The next town we visited was Perpignan, it has walls all around the old part. This is the main gate to go into that part of town.

Our bike is over; we relaxed on the beach of Monterosso.

We toured Barcelona by electric bike AWAY!
I am sitting on a cactus just above the town of Vernazza on the 1st part of the hike. We climbed to the top of the tower you see in the town.

Our view as we hiked the Blue Trail. Beautiful!

We took the bus to Porto Venere to go for a swim and saw 2 weddings.

This is the Grand Canal in Venice.

This is Piazza San Marco. We met Pinocchio in Venice. I am a fan of Sttech! My bridge bag shops all across the city. The only bridge in Pisa.

We went to Pisa after Florence. The Leaning Tower was very beautiful. 1st night in Florence was silly.
