

WESTIE'S NEWS

OCTOBER 2023

MESSAGE FROM MR. PIRIE

We have had a great start to the school year in September and October, and students have been busy participating in powerful classroom learning, assemblies, field trips, and co-curricular programming. Our wonderful Westmount team is committed to providing our students with a high-quality education that ensures meaningful success for all learners. In addition to our weekly teacher emails, please follow us on Instagram and Facebook to check out what we are doing!

SCHOOL FEES

School Fees are payable online at School Cash Online. Some fees, depending on grade, include school supplies, school events, daytimers, swimming lessons, and field trips.

Options to Pay

- Online at [School Cash Online](#)
- Cash (Office)
- Credit or Debit (Office)

HOUSE LEAGUES

Each of our students is assigned one of our house leagues, and they remain on the same team for the entire time they are at Westmount School. Throughout the year there will be opportunities for them to earn house points, with a trophy awarded at the end of the year to the team with the most points. Good luck to all three teams!

DEVICES AT SCHOOL

While students are in the classroom, the focus is on learning, collaborating, thinking, and exploring. We ask that students leave their phones, smartwatches, and other communication devices at home or in their lockers or backpacks. If a student needs to contact their family, they can speak to their teacher about calling home. This helps to reduce distractions but also reduces the risk of lost or damaged devices.

WESC CORNER

Our Westmount Elementary School Council is an integral part of our school community. Coming to WESC meetings helps you to have a voice in our school, and to find out ways to support our school, in addition to being a great way to connect with other parents.

Next WESC Meeting: November 15th @ 6:30 PM

 (403) 934-3041
